RESIDENCES

OCEAN PAVILION - 330 sqm

Set 200 metres out over the Indian Ocean, these stunning Pavilions face the sunset and are the last word in pampered luxury. Privacy is assured as access to these wooden walkways is only to Pavilion residents. Your private fibre-optic lit infinity pool flows from the indoors out and blends naturally with the horizon. Perched at the lagoon's edge, the sundeck houses leather chaise loungers and leads directly into the lagoon. A sunken Jacuzzi is one step up onto the open terrace.

The master bedroom is open plan. An infinity edge Kohler bath that fills from the ceiling forms the centrepiece, while a hydro body spa shower is pure indulgence. A second bedroom with 32 inch plasma and direct access to its own outdoor deck completes each Pavilion, and a dedicated butler is on call 24 hours throughout your stay.

BEACH PAVILION - 800 sqm

The Beach Pavilion redefines iconic luxury with its avant-garde design and private beach. From the entrance, the stepping stones lead you from the entry ponds to the main foyer, which opens out to the fibre-optic lit infinity pool and the lagoon beyond.

On the upper floor, the master bedroom offers views through a glass floor down to the pool as well as straight out through your floor-to-ceiling glass window to the lagoon. Venture down a stairwell to your outdoor oasis with open-air shower and gardens nestling your oversized bath.

The second bedroom has its own indoor/outdoor bathroom with rainfall shower and separate outdoor deck with direct access to the lagoon. A central living area offers a Bose surround sound theatre system with 60" plasma screen and DVD, designer fittings and unlimited luxuries. Your dedicated butler is on call 24 hours throughout your stay.

CUBE - 463 sqm

Nestled in a lush oceanfront garden enclave with direct access to the beach, CUBE is a sanctuary set in a world of its own. The open-plan interior merges the warmth of organic textures with innovative shape and form. From the entrance, the foyer opens to reveal the living room, kitchen with a walk-in pantry and dining room bathed in natural light. The solid wood dining table seats up to 10 guests and, through the floor-to-ceiling glass doors, looks out to the shaded pool garden and yoga pavilion.

Overlooking the translucent lagoon from one level up, the master bedroom and two guest rooms are bedecked with polished timber floors and ceilings. The enclosed garden terraces enfold the two semi-outdoor bathrooms, and the Bose surround sound system, plasma screens and DVD players complete your luxurious experience. Apart from the in-room entertainment system, CUBE features a wine fridge, two fully-stocked mini-bars, a game room with latest video game consoles and a lounge stocked with bestsellers and your playlists. A personal butler is on call 24 hours a day throughout your stay.
