A Per AQUUM Retreat

LOCATION

Huvafen Fushi sits in North Malé Atoll of the Maldives. A 45-minute luxury ride skimming the Indian Ocean's blue expanses with your Maldivian butler on your very own yacht, Sensuelle, takes you from Malé International Airport to the resort.

THE SENSUELLE CONCEPT

A life of sensuous living. In 21 metres of luxury. Offshore accommodation that is like no other – but distinctively Huvafen. Sensuelle is offered in tandem with onshore accommodation and can be booked in conjunction with the Ocean or Beach Pavilions, Deluxe Beach Bungalow, or Ocean Bungalow.

Head out to sea after a night in your bungalow. Jump yacht, if you please, when night falls, or morning breaks. Or stay on board, bathing in moonlight and slumbering amidst the vastness of the ocean.

High living in its latest form – with three decks atop the waters. Seafood jumping straight from the deep blue onto the barbecue. LIME Spa treatments in the dedicated spa room, with your personal spa therapist. Jacuzzi relaxation in between underwater explorations. The sunset at your beck and call. All on Sensuelle. A haven on the Indian Ocean.

DESIGN

The Queen of Yachts. A gazelle on water. Sexy redefined. Designed by award-winning UK architect Richard Hywel Evans, Sensuelle was created exclusively for Huvafen Fushi. With many a quirk – a grill on the upstairs deck. A triple step Jacuzzi. A rainshower outdoors, by the bare nakedness of the ocean. And a second one indoors.

Soft textures and clean lines. A bedroom fit for kings. Bathing opulence. Bose technology in the chill-out room. The connoisseur's wine cellar. Luxe living epitomised, aboard Sensuelle.
