4. SENSUELLE (LXS) COMBINATION RATES TABLE

Sensuelle is 68-ft powerboat that is the epitome of sleek and modern design. The interior of Sensuelle has been custom made by award winning UK architect Richard Hywel Evans who has used soft textures and clean lines rather than the more traditional glossy wood and gold to create a contemporary, visionary, savvy yacht. Although the A68 vessel was large enough for four berths, rather than adhering to the norm, we have used the space to create our own wish list for Sensuelle, which includes just one main bedroom with a full sized bathtub, a dedicated spa room allowing for on board massages, a dining room, personal wine cellar, bar, chill out area at the front of the vessel, an acrylic Jacuzzi at the back.
